

SUITCASE

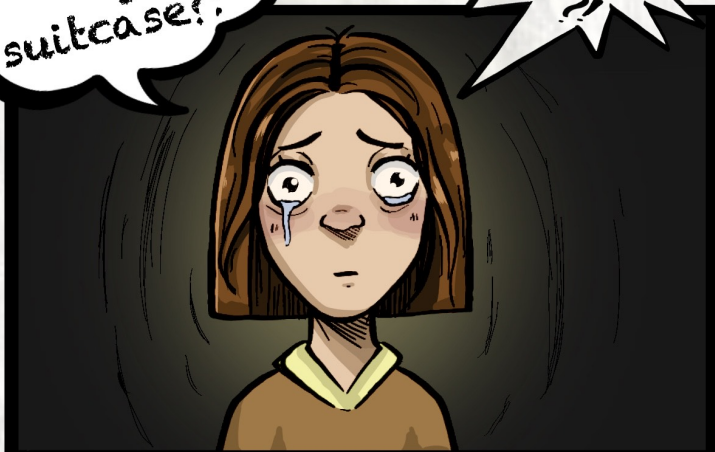

1942..

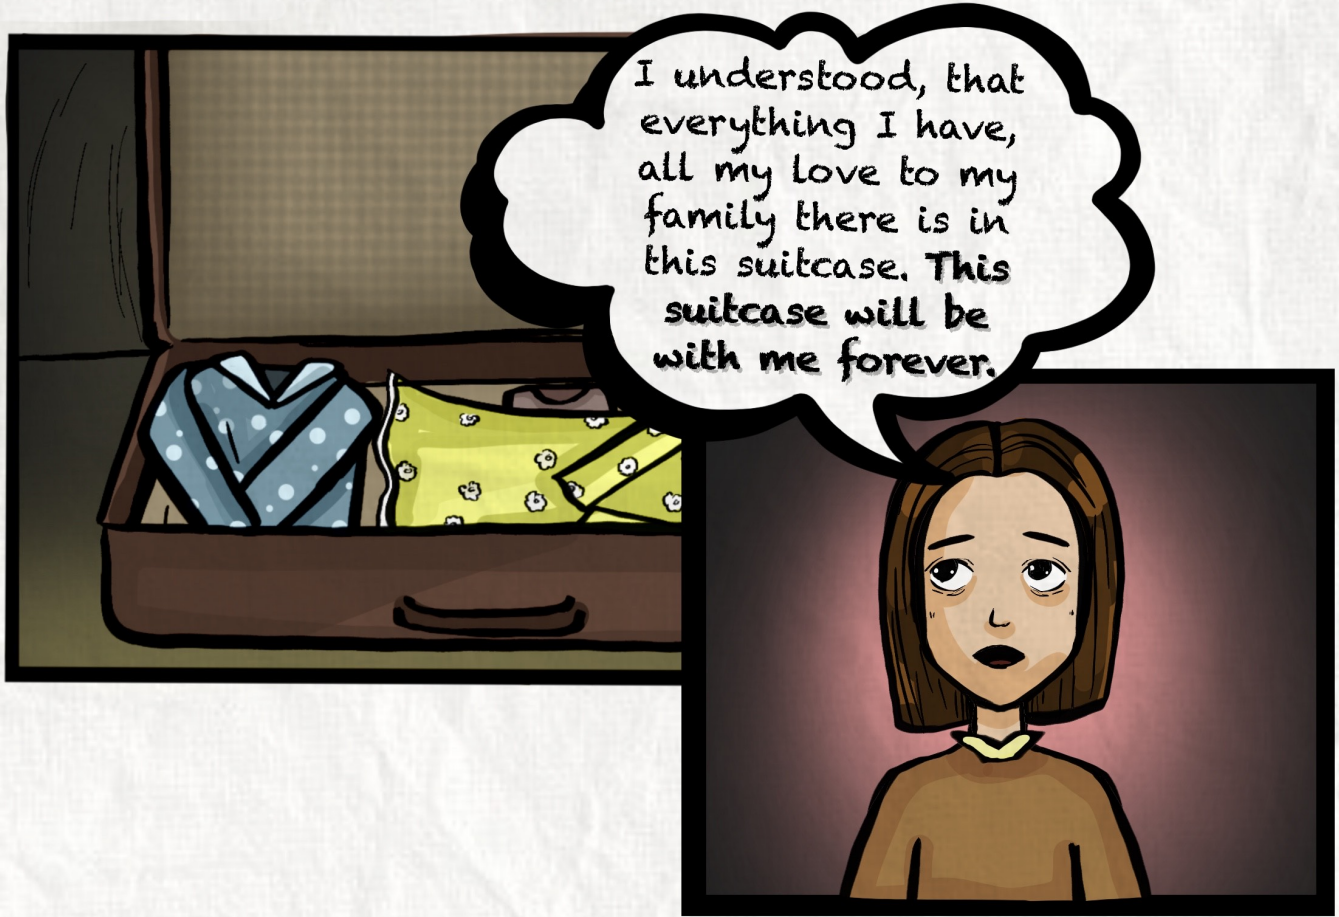

Where is my suitcase?!

I miss my family a lot. I'm very sad, but luckily I am not hungry.

Whether these candies sweeten my longing for my family?

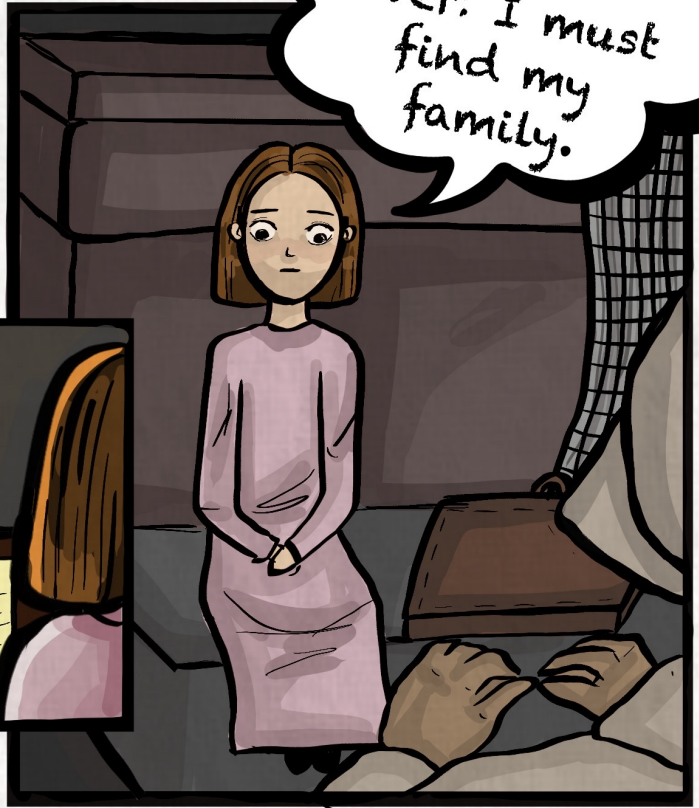

I succeed! I will find my home and come back

The war is over! I must find my family.

It's horrible!!
I have lice!

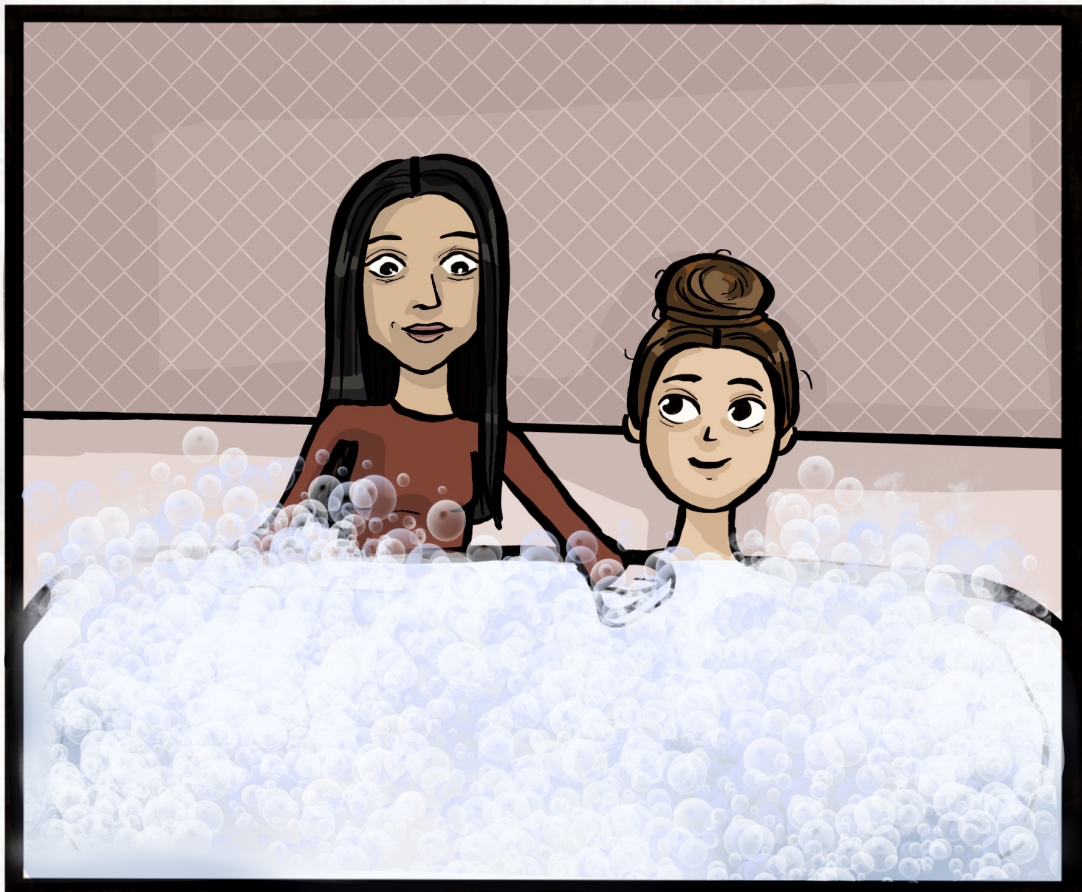

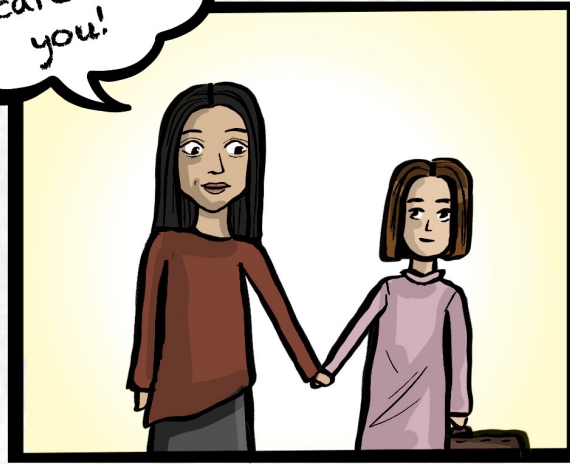

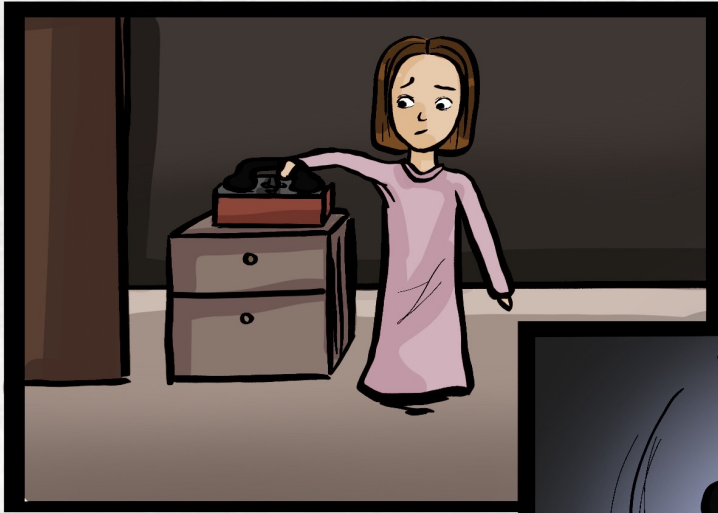

Here is a ticket. Go farther!

I will take care of you!

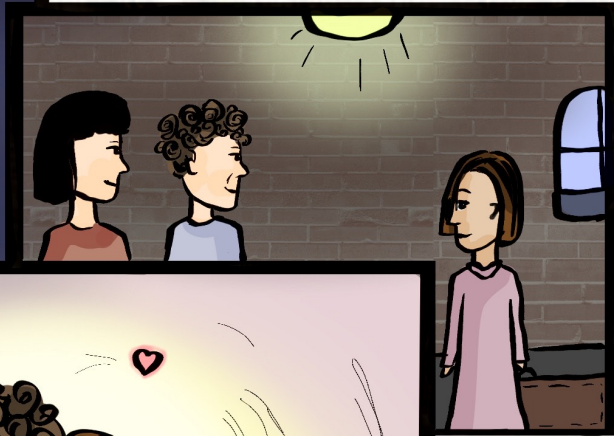

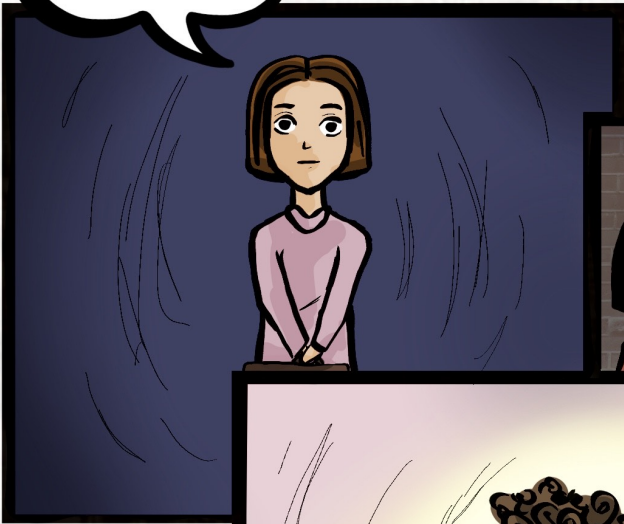

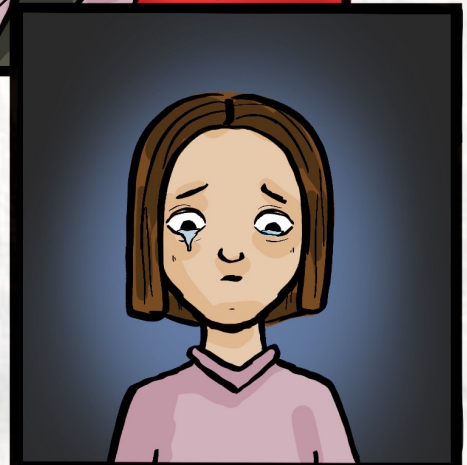

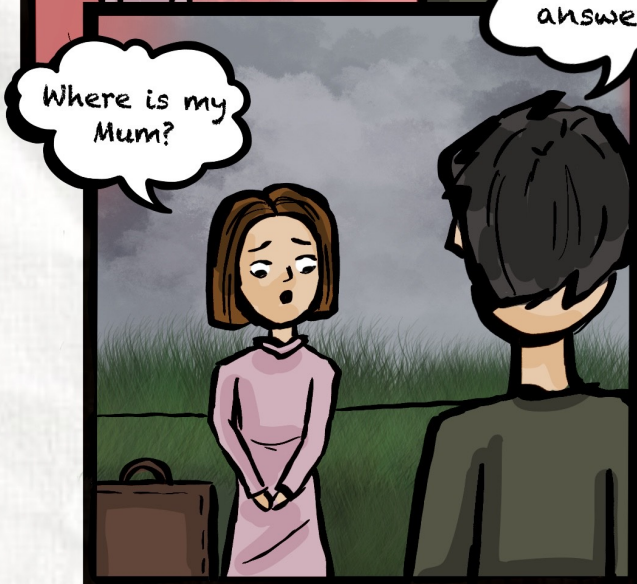

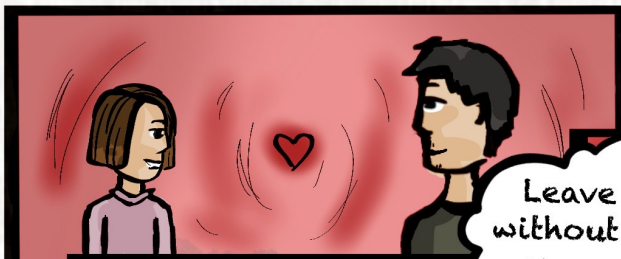

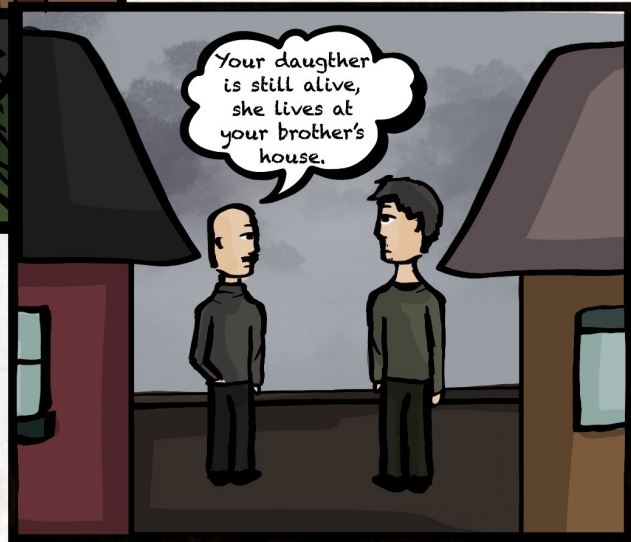

Could it be my uncle?!!

What will our meeting be like??

This suitcase is a symbol of the love I have for my family, that gave me strength for survival.
